Flutter | GetX | Provider | Dart |SQL | Rest API |UI/UX | Figma | Git | GitHub

INTERNSHIPS

VARCONS TECHNOLOGIES PVT.LTD

Flutter Developer

December 2022 – March 2023

- Designed and developed a fully functional e-commerce application using flutter, dart, MySQL and others software tools.
- Led a team of 4 developers, effectively managing tasks and ensuring on-time project delivery.
- Collaborated with fellow developers to implement app updates and added 2 new features, resulting in a 15% increase in user satisfaction through effective teamwork.

PROJECTS

E-Commerce Mobile App - Flutter, Dart, Firebase, MySQL, REST API, Stripe Payment Gateway

- Designed and developed a fully functional e-commerce application similar to Amazon.
- Implemented secure payment integration with Stripe, supporting multiple payment methods.
- Integrated user authentication (Firebase Auth) for secure login and registration.
- Developed an interactive UI/UX with custom animations, ensuring a smooth user experience.

SMART ATTENDANCE SYSTEM USING FACIAL RECOGNITION – Python, Dart, Flutter, SQLite

- Engineered an AI-powered facial recognition system to automate student attendance tracking (**FINAL YEAR PROJECT**).
- Developed a mobile interface using Flutter, enabling real-time attendance updates.
- Integrated SQLite database to store and manage student attendance records efficiently.
- Improved attendance tracking accuracy by 70% compared to manual methods.

Task Manager App - Flutter, Dart, SQLite, REST API

- Created a task management app with features like task scheduling, reminders, and notifications.
- Implemented local storage using SQLite, ensuring offline access to user tasks.
- Designed a minimalist UI/UX with smooth animations and intuitive navigation.

EDUCATION

SAI VIDYA INSTITUTE OF TECHNOLOGY

August 2019 – August 2023

Bachelor of Engineering | Information Science & Engineering

CGPA – 7.34/10

CERTIFICATIONS & TRAINING

- Full Stack Web Development – Industrial Training
- Java Full Stack Developer training – Besant Technologies
- Volunteer of Avisa Charitable Trust – NGO

AWARDS AND ACHIEVEMENTS

Student Tech & Event Planning Club (Member)

- Organized and participated in coding competitions and collaborative projects.
- Contributed to the planning and execution of a campus tech events.

NCC (Volunteer of Avisa Charitable Trust)

- Collaborated with team of 10 volunteers and contributed in the development of rural areas, communicated with the residents and created awareness about women menstrual health and clean India, painted the public walls.
